### PURPOSE:

Since 2011, teams of Chase Oakers have traveled to Montego Bay to partner with Mission Discovery and to work alongside the Jamaican School for the Deaf. Over time, we have built a strong relationship with the school and the children, so they recognize us as we arrive. Typically, we do concrete work to build different areas of their campus and lead the Children's Bible School. Teams also have the opportunity to serve at Blossom Garden Orphanage and Montego Bay's city orphanage that houses over 70 children. Join us to *Make a Difference!*
